

RANE AC22 Active Crossover

The Rane AC 22 Active Crossover is a Stereo 2-Way with mono subwoofer option, or can be used as a Mono 3-Way. They employ state-variable 4th-order Linkwitz-Riley filter alignments to minimize phase difficulties in the critical crossover region. The model AC 22 utilizes ¼" TRS connectors with balanced/unbalanced inputs and unbalanced outputs.

PRICE = ~~\$60.00~~ + shpg.

NEW LOWER PRICE!!! \$49.00 + shpg.
